

F. No. 18-75/2009-Hort. II
Government of India
Ministry of Agriculture
Department of Agriculture & Cooperation

Krishi Bhavan, New Delhi
Dated the 16th February, 2010

To

1. The Mission Directors
All NHM States
2. All National Level Agencies

Subject: - Posting of physical and financial progress on NHM website – reg.

Sir/Madam,

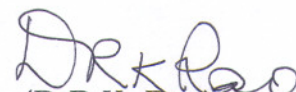

I am directed to state that presently the SHMs are required to post the monthly physical and financial progress for each of the components on the NHM website by 5th of each month. While all efforts are made by DAC to reflect the physical and financial targets in accordance with the releases being made in different installments, sometimes the SHMs are not able to take up some time bound activities for want of release, particularly for project based activities, which are approved by the EC/EMC of NHM.

2. In order to overcome this, Empowered Committee of NHM in its meeting held on 18-11-2009 decided that SHMs could utilize the available funds for the components within the approved programmes under Annual Action Plan for the particular year.

3. Accordingly, the SHMs need to post the physical and financial progress for each of the activities taken up out of the available funds including bank interest across the targets instead of awaiting for release of requisite funds for each of the activities by 5th of each month.

4. A hard copy of the progress report should be furnished to this Ministry.

Yours faithfully,

(D.R.K. Rao)

Under Secretary (NHM)

Copy to:

1. PS to AS (AB)/PS to JS (NHM)/Director (NHM)
2. All Officers/Consultants in NHM Division
